Train is Coming

Train is coming
Train is coming
Train is coming
Train is coming
I can hear it on the track

Whoop woo whoop woo whoop woo
Well the train is coming
I can hear it on the track
Well the train is coming
I can hear it on the track

...Hear the clickety clack
...There's a penny on the track
...Once it's gone it's never coming back

Whaddaya Say

Whadda say we sail away
in a tiny boat together
Over the sun under the moon
We can spy for treasure
Whaddaya say

And we can be together
In any kind of weather
And I'll be yours forever
Hey Hey
Hey Hey

Whaddaya say we run away
To a tiny town together
We'll open a shop or a bakery
Making birthday cakes
to measure

Whaddaya say we saddle a cloud
And ride the wind together
Over the sea
and the mountain tops
Like two birds of a feather

Nursery Rhyme Mash

This little piggy went to market
This little piggy stayed home
This little piggy had roast beef
And this little piggy had none

Li li diddly di di
Oh li li diddly dee
Li li diddly di di
Oh that's alright with me

Mary quite contrary
How does your garden grow?
With silver bells and cockleshells
And pretty maids in a row

HEY baa baa black sheep
Oh Have you any wool?
Yes sir yes sir yes i do
I've got three bags full

Hey diddle diddle
cat and the fiddle
cow jumped over the moon
little dog laughed to see such fun
And dish ran away with spoon

Twinkle twinkle little star
I wonder what you are
Up above the world so high
Diamond in the sky

Little Miss Muffet sat on her tuffet
Eating curds and whey
Along came a spider
sat down beside her
She reached for the spray

I've got a hole in my pocket
I've got a hole in my jeans
I've got a hole in my pocket
Spend all day picking up my keys

One Million Dillions

I've got one million millions
I've got one million dillions
I've got one dillion dillions
Here for loving you

Sure as the rain is wet
And elephants don't forget
Sure as the sun is warm
And thunder comes with thunderstorms
Sure as day follows night
And 2 wrongs don't make right
Is as sure I am
That I can't stop won't stop
Loving you

Sure as sugar from sugar cane
And rainbows coming after rain
Sure as a cat drinks milk
And silkworms
keep on making silk - sure as
flowers and bees make honey
And an elbows are not that funny

Is as sure I am
That i can't stop won't stop
loving you
Is as sure I am
That I can't stop won't stop
loving you

And if you're wonderin'
'Bout the love
I've been squandering
I've still got
one lillion dillions
here for loving you

When I'm old and grey
Put my teeth away
There'll still be
One million dillions
here for loving you

Laces

Drink your milk
Eat your beans
Put on your shirt
Put on your jeans

Comb your hair
Brush your teeth
Shoes and socks
You know what to do
And make sure you tie your laces up

‘cause laces are cheeky
and they can be sneaky
and may try to trip you up

And when they get wetty
they turn to spaghetti
and tangle around your feet

You could be climbing the stairs
And they’ll say who cares
And trippety trip trip
So it’s best if you keep them neat
Then they can’t mess with your feet

Catch a Falling Star

Catch a falling star
and put it in your pocket
Never let it fade away
Catch a falling star
and put it in your pocket
Save it for a rainy day

For when your troubles
start to multiplying
And they just might
It's easy to forget them
without trying
With just a pocketful of starlight
