

VANESSA FERNANDEZ

REMEMBER ME

Vanessa Fernandez would like to thank the following:

Thank you to the amazing artists who first created this beautiful music that we have the honour and joy of reinterpreting. Thanks Alex, Jeff, Victor, Felipe and Tim — your creativity, finesse, intuition, vibes and souls are what made our time together magical. Much appreciation Clint and the whole team at Sunset Sound (special shout-out to Ruckus!) Bernie Grundman Mastering, always impeccable.

Special thanks:

Tim, your wonderful arrangements and incredible mastery of craft are inspiring and transformative. Mike, your wisdom & senses helped us all feel safe and sound in our connection and flow. Ying, I couldn't thank you enough for continuing to believe in me and bringing such patience, deep research, thoughtfulness, heart and great instincts every time.

My eternal and immense gratitude to all my family and everyone who continues to listen. I love you all.

Thank You from Ying Tan & Groove Note Records:

Vanessa – as always, your albums continue to blow me away as does your talent and the great performances on Remember Me.

Tim Pierce, for some of your best ever arrangements and the magnificent guitar playing to go with it. And a big thank you for recommending Felipe for this session!

The band - Alex Al, Jeff Babko, Victor Indrizzo, Luis Conte, and Felipe for the excellent musicianship, demonstrated both individually and as an ensemble during the making of this album.

Michael C. Ross for the outstanding tracking and mixing work and for your professionalism throughout this session.

Bernie Grundman for yet another great cut.

Clint Welander for all the hard work and assistance at Sunset Sound and introducing us to Rukus.

Rukus just for being there!

Josh and all the crew at Sunset Sound for their all round support during the session.

Joe Kubala for providing us with the Kubala Sosna cables that were used during the recording.

Rumi, Steve, Fred, Jacob, and Catherine for all their unstinting support over the years (actually decades).
