

HAZELRIGG BROTHERS

SYNCHRONICITY: An interpretation of the album by THE POLICE

Radio Add Date: May 22, 2023

Perfectly expressing the political and social temper of the early 1980s, the original landmark album was the near-constant soundtrack to George and Geoff's upbringing and a huge influence on their artistic future. On their latest release, Hazelrigg Brothers celebrates the 40th anniversary of this classic album and delivers an audiophile experience full of the fire, power and dynamics that have become their trademark.

- 1) Synchronicity I - 2:58 • Sting
- 2) Walking in Your Footsteps - 4:09 • Sting

"The recorded sound is expertly shaped around the trio and the excellent soli so that it is impossible not to be knocked out by the sheer creative firepower of each artist as well as by a recording that meets every demand of the audiophile in the capture and delivery of this music" – *World Music Report (Songs We Like)*

"I can't recommend this album highly enough and I hope to see the Hazelrigg brothers live on the European stages sooner rather than later." – *Jazz in Europe (Songs We Like)*
