LATE, BY MYSELF

Late by myself, in the boat of myself,
no light and no land anywhere,
cloudcover thick. I try to stay
just above the surface, yet I'm already under
and living within the ocean.

(Quatrain 12)

We are the mirror as well as the face in it.
We are tasting the taste this minute
of eternity. We are pain
and what cures pain. We are
the sweet cold water and the jar that pours.

(Quatrain 1652)

ORCHARD

Come to the orchard in Spring.
There is light and wine, and sweethearts
in the pomegranate flowers.

If you do not come, these do not matter.
If you do come, these do not matter.

(Quatrain 914)

AT NIGHT

**At night we fall into each other with such grace.
When it's light, you throw me back
like you do your hair.**

**Your eyes now drunk with God,
mine with looking at you,
one drunkard takes care of another.**

(Quatrain 1794)
