

bert van den brink trio
BETWEEN US

live at the bimhuis

Bert van den Brink
Hein Van de Geyn
Hans van Oosterhout

"Bert and Hans, two of my absolute favorite musicians. Musical

friendship based on a long history of playing together in

so many situations, with so many great players

(Rick Margitza, Lee Konitz, Toots Thielemans,

Nat Adderly, Philip Catherine, Dee Dee

Bridgewater, Red Holloway, Johnny Griffin,

Von Freeman, Peter King, Charlie Mariano, Kenny

Wheeler.....). And then sometimes trio only.

The focus inward, into the music that

comes from trusting each other, know-

ing each others language, loving each other."

-Hein Van de Geyn-

"I am glad that we finally had a CD-registration of this wonderful trio. In my opinion one of the best recordings we ever did. Surprising, fresh, open and sensitive. It makes me happy again to think back of the tour we did. There seemed to be no boundaries, many risks were taken.

A cd that I will listen to with pleasure." -Hans van Oosterhout-

"The concert on friday the 19th. of

april 2002 at the Bimhuis in Amsterdam

was almost at the end of a small tour the

three of us had been doing. For me this

concert was a moment of

deep expression between

us in front of a very sup-

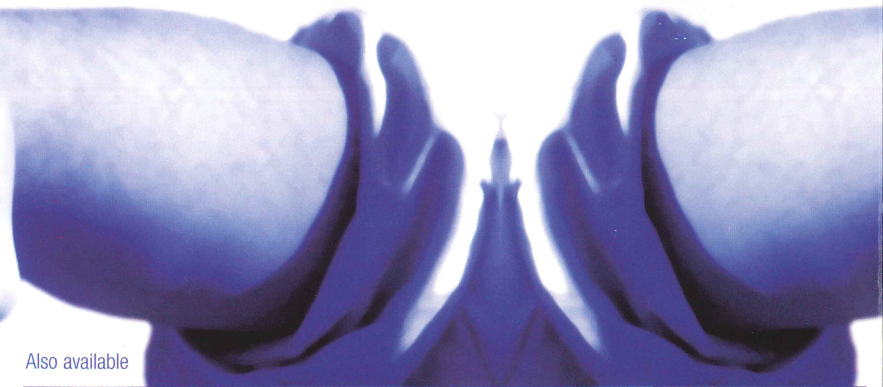

portive audience. Knowing

each other for so many years I

think that we deserved to

make this album." -Bert van

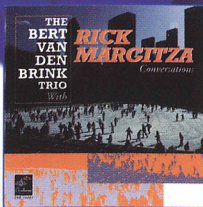

den Brink-
