Gregg & Chelsea would like to thank: our family and friends, for their continuous love and support. Trevor Spencer, Chris Vita, Tony Reif, Jordan Bent, and everyone who helped made this record possible.

Special thanks to: Brianna Atwell, for getting the ball rolling. Bill Frisell and Cuong Vu, for their encouragement. I have learned so much from you both. Jim Knapp, Michael Nicollela, and Johnaye Kendrick, who continue to inspire through their work and education. Chris Icasiano and Ben Marx, who helped get this music out into the world. Max Wood, for listening to all my demos, even though they didn't sound like Sonic Youth. Andy Clausen, for your friendship and enthusiasm.

To all the bands and musical projects we've been a part of over the years, thank you.
